EDUCATION

East Delta University

Bachelor of Science in Computer Science and Engineering (Major in AI)

Jan 2022 – Dec 2025

Chittagong, Bangladesh

- **Academic Focus:** Artificial Intelligence & Deep Learning
- **CGPA:** 2.83/4.00 | **Honors:** Dean's List Award for Academic Merit
- **Undergraduate Thesis:** Low-Light Image Enhancement Transfer using Generative Adversarial Networks

CDA Public College

Higher Secondary Certificate (HSC) – Science

Jan 2019 – Jan 2020

GPA: 5.00/5.00

Chittagong Ideal High School

Secondary School Certificate (SSC) – Science

Jan 2016 – Dec 2017

GPA: 4.67/5.00

PUBLICATIONS & CONFERENCE PRESENTATIONS

1. **Irtaz Irfan**, [Author], “Low-Light Image Enhancement using U-Net based Generative Adversarial Network with Dual Attention Mechanism.” *International Conference on Emerging Frontiers in Advanced Sciences and Technologies (EFAST 2026)*, June 2026. [Presented]
 - **Honors:** Best Speaker Award (Technical Session Presentation).
2. **Irtaz Irfan**, [Co-Author], “Unpaired Handwriting Style Transfer for Bangla Script using CycleGAN with Structural Continuity Loss.” *International Conference on Emerging Frontiers in Advanced Sciences and Technologies (EFAST 2026)*, June 2026. [Presented]

PROFESSIONAL EXPERIENCE

AgriGate

AI Developer

Aug 2026 – Present

Dhaka, Bangladesh

- Design, implement, and benchmark computer vision and deep learning models for agricultural monitoring and dataset analysis.
- Construct automated data ingestion, preprocessing, and augmentation pipelines to improve training dataset diversity and model robustness.
- Optimize inference latency and pipeline efficiency for cross-platform model deployment.

Science Core Coaching Center

Science & ICT Instructor

Jan 2022 – Dec 2025

Chittagong, Bangladesh

- Instructed cohorts of 15+ senior secondary students (Classes 10, 11, and 12) in Information and Communication Technology (ICT) and foundational science subjects.
- Formulated algorithmic problem-solving exercises, technical slides, and regular diagnostic assessments to evaluate student progression.

British American Language Academy

Student Counselor & Academic IT Support

Oct 2025 – Dec 2025

Chittagong, Bangladesh

- Guided prospective scholars on standardized language pathways (IELTS/TOEFL) and institutional application prerequisites.
- Maintained and streamlined student database records, ensuring high data accuracy and efficient administrative retrieval.

TECHNICAL PROJECTS

Undergraduate Research: Low-Light Image Enhancement Framework

Academic Thesis

- Developed a dual-attention U-Net generator integrated with adversarial loss to enhance low-light, high-noise imagery.
- Attained an empirical Peak Signal-to-Noise Ratio (PSNR) benchmark of **32.21 dB**, validating structural preservation and noise suppression.
- Implemented complete training, validation, and evaluation workflows in Python using deep learning libraries.

Ani-Help: BookShop & Consultation Platform

Course Project

Project Manager & Front-End Developer

- Architected a centralized application integrating literature distribution, resource recommendations, and direct consultation channels.
- Designed responsive UI workflows to facilitate client interactions and seamless catalog browsing.

Client Web Architecture Deployments

Independent Freelance Project

- Built and deployed 10+ custom web platforms tailored to client specifications, emphasizing clean UI/UX standards and responsive layouts.

TECHNICAL SKILLS

- **Programming Languages:** Python, C, C++, JavaScript, SQL
- **AI, Frameworks & Runtimes:** PyTorch, TensorFlow, OpenCV, CycleGAN, U-Net, Node.js
- **Developer Tools & IDEs:** VS Code, Android Studio, Git, GitHub, LaTeX, Overleaf, REST APIs
- **Project Management & Collaboration:** ClickUp
- **Languages:** English (Fluent), Bengali (Native)

LEADERSHIP & SCHOLASTIC ACTIVITIES

- **Competitive Programming:** Competed in national algorithmic coding contests, including NCPC, IUPC, and Hack CSB.
- **Bangladesh Scouts:** Active member since school; completed national-level hiking, camping, and expedition training.
- **Humanitarian Logistics (Youth's Voice):** Spearheaded crowdfunding initiatives, raising over 108,000 BDT to distribute emergency food rations to 200 flood-affected families in Fatikchari (2024).
- **Event Management:** Directed organization for a 32-team regional football tournament, managing budget allocation and securing corporate sponsorships.
